A. Ceremony held at Temple Shalom

- 1] Bar and Bat Mitzvah services normally take place on Friday evenings or Saturday mornings at the temple. These are considered regular services and the Rabbi and Cantorial soloist will be provided.
- 2] If the ceremony in the Temple is not held on Friday evening or Saturday morning (usual times for Temple Shalom services,) ie: Saturday Mincha/ Ma'ariv or Thursday morning, it is not considered part of our regular services and an additional fee of \$ 1500 is required for officiants , tech, custodial, admin and security services
- 3] The family usually holds a Kiddush lunch on-site, however if the family holds the reception off site, the Temple will provide a small Kiddush for members of the congregation for a fee of \$72.

B. Exceptional Circumstances

- 4] If more than 180 are expected to attend the ceremony, Temple Shalom may allow an off- site service (venue must be acceptable to temple officiants and synagogue). The service must be officiated by Temple Shalom clergy or designated lay leaders, listed as a Temple Shalom service and be available (in-person or on-line) to Temple members
- 5] If the ceremony is held off site for any reason other than numbers expected to attend, it is not considered a regular Temple Shalom service and a fee of \$ 2500 will be assessed to cover the costs of clergy, tech, admin, etc.
- 6] The Torah is allowed out of the building for approved off site ceremonies but the family bears the responsibility for damage or loss, irrespective of who has the physical responsibility for bringing it to the site of the service.

PLEASE NOTE: We NEVER lend or rent our Torahs to anyone, for any purpose.
